Business Plan Basics *Workshop*

Avoid pitfalls & detours...

learn how to best identify goals & objectives!

Tuesday, November 13th
5pm - 7pm

Entrepreneurs typically allow daily operations to steer the direction of the business. Without proper planning, goals, objectives, bench marks and checks and balances in place businesses often veer from their original course into a dead-end. Learn how to best identify goals & objectives in relation to marketing, sales, distribution, management and finance.

Class location:

Work Source Center
21010 Vanowen St.
Canoga Park, CA 91303
